steve.coleman@kiongroup.com**KION North America Announces Monumental Partnership with Impact Forklift Solutions**

Impact Forklift Solutions is a New Dealer Entity

SUMMERVILLE, SC – KION North America is proud to announce that [Impact Forklift Solutions](#), headquartered in Dallas, TX, has joined its expansive dealer network, covering the following territories: Texas, Oklahoma, Colorado, New Mexico, Kansas, and Missouri. Impact Forklift Solutions will sell KION North America's complete product portfolio of Linde Material Handling and Baoli brands.

"We are proud to partner with dealers who are extremely committed and dedicated trusted solutions providers for their customers," said Director of Dealer Development Rick Schiel. "Impact Forklift Solutions exudes what it means to be completely committed to its customer base, which is directly related to its long history of success. We look forward to partnering with Impact Forklift Solutions as they represent the Linde Material Handling and Baoli brands."

Impact Forklift Solutions is born from over 40 years of material handling experience and is proud to offer superior sales and service to its customers throughout its territories. That long heritage aligns with their core values of integrity, humility, respect, empathy, and commitment, creating a foundation of success and making the organization into the powerhouse organization it is today. By putting the customer first, this organization has built a solid reputation as an experienced, integrated solutions provider for its customers to help them navigate and prepare for their business challenges. Impact Forklift Solutions' commitment to customer satisfaction includes delivering solutions that have the most significant impact on its customers' businesses.

###

KION North America Corporation

Headquartered in Summerville, S.C., [KION North America Corporation](#) is a member of the KION Group, one of the world's leading manufacturers of industrial trucks. Their brand companies, Linde and Baoli, serve the specific industrial truck requirements of the US, Canadian and Mexican markets with a broad and complementary product portfolio. KION North America produces material handling equipment known for its innovative technologies, reduced energy consumption, and low operating costs. KION North America also works closely with its sister company, Dematic, a global leader in automated material handling that provides a broad range of intelligent supply chain and automation solutions.
