Steve.coleman@kiongroup.com**KION North America Announces New Partnership with Advanced Material Handling Systems**

SUMMERVILLE, SC – KION North America is pleased to appoint [Advanced Material Handling Systems](#) as a dealer partner within the KION North America dealer network. Advanced Material Handling Systems is authorized to sell Linde Material Handling and Baoli brands within its three locations in Atlanta, Georgia; Suwanee, Georgia; and Augusta, Georgia.

"We are incredibly proud to announce our new partnership with Advanced Material Handling Systems," said Director of Dealer Development, Rick Schiel. "We have strategically sought out dealers to join our dealer network who are committed solutions providers focused on expansion and growth. We are thrilled to have Advanced Material Handling Systems represent the Linde Material Handling and Baoli brands."

Advanced Material Handling Systems represents over four decades of market-leading experience in the material handling industry. With this organization's long history of being a trusted solutions provider for its customers, Advanced Material Handling Systems is proud to offer enhanced offerings of the Linde Material Handling and Baoli brands throughout Georgia. This deliberate focus includes establishing Advanced Material Handling Systems as a separate entity with dedicated sales management and salespeople representing the KION North America product portfolio at their sites.

For a complete directory of KION North America's current dealer network, visit www.kion-na.com.

###

KION North America Corporation

Headquartered in Summerville, S.C., [KION North America Corporation](#) is a member of the KION Group, one of the world's leading manufacturers of industrial trucks. Their brand companies, Linde and Baoli, serve the specific industrial truck requirements of the US, Canadian and Mexican markets with a broad and complementary product portfolio.

KION North America produces material handling equipment known for its innovative technologies, reduced energy consumption, and low operating costs. KION North America also works closely with its sister company, Dematic, a global leader in automated material handling that provides a broad range of intelligent supply chain and automation solutions.
